Theodore M. Green - Reg. No. 41,801

The above-referenced patent application went abandoned on 03 August 2001 for failure to file a U.S. national phase patent application by this date, which is 20 months from the priority application.

The applicants are filing simultaneously with this PETITION UNDER 37 C.F.R. §1.137(B) FOR REVIVAL OF AN APPLICATION UNINTENTIONALLY ABANDONED FOR FAILURE TO PROSECUTE a U.S. Continuation patent application claiming priority to U.S. Provisional Patent Application No. 60/168,919 filed 03 December 1999, and to the above-referenced International Patent Application PCT/US00/32843, filed 04 December 2000.

The entire delay in prosecuting the application from the date of 03 August 2001 until the filing of a grantable petition pursuant to 37 C.F.R. § 1.137(b) was unintentional.

A check in the amount of \$640 to cover the petition fee as required by 37 C.F.R. §1.17(m) is enclosed.

WHEREFORE, applicants request that the above-referenced patent application be revived.

Respectfully submitted

Theodore M. Green
